

greengoods

With the consent of each provider below, Green Goods created the following list of healthcare systems and clinics that are currently certifying patients for medical cannabis. Patients need to have a qualifying condition and register with Minnesota's Department of Health, Office of Medical Cannabis. Any Minnesota licensed physician, physician assistant (PA) or an advanced practice registered nurse (APRN) can certify patients, if they choose.

***Some locations do not accept insurance and are cash only.
★ Locations offering telemedicine for certifications.***
